

DISCLAIMERS

Many of our articles and blog posts advise making changes to your computer system and everyday computing habits. While we fully test and stand by our advice, there is still the potential for problems when making any configuration changes. Please be careful.

Many of our articles and blog posts feature links to third party software downloads. While we fully test everything that we link to, we have no control over other sites and can't be held liable or responsible for anything that you install or for your inability to use your computer equipment or other product.

Many of our pages also feature advertising links to any number of products or services. While we attempt to be very responsible when it comes to advertising, these products and services are outside of our control and we cannot be held liable or responsible for anything resulting from clicking on ads.
